Sir,

I have the honour to state that the Closepet Town Municipal Council have incurred an expenditure of Rs. 91-7-1 towards the purchase of buntings, flags and lamps cost for decorating the town and its streets on ceremonial occasions and this has been approved by the Municipal Council at their meetings held on 30th December 1944 and 2nd January 1945. It is reported that the said articles were urgently got done by purchasing cloth locally during the recent visit of His Highness the Maharaja of Mysore to Closepet on 14th December 1944 and also as the cost of hire charges for the said articles quoted by the President, Trust Board, Mysore and the President, Bangalore City Municipality was very heavy. The President further reports that these articles are an asset to the Municipality and will be of great utility on important occasions. At other times they can be lent to other Municipalities requiring them and decent hire charges realized.

In these circumstances, I request that sanction of Government may be kindly obtained to the resolution of the Municipal Council approving of the expenditure incurred in this behalf, the charge being met by re-appropriation under the head 12 in the sanctioned budget of the Municipality for the current year.
